

Vision: Canadians with cerebral palsy and related disabilities have access to and are inspired to achieve personal excellence and embrace lifelong participation in sport and physical activity, while Canada is a leading nation in boccia.

Mission: We collaborate with partners to increase the participation of Canadians with cerebral palsy and related disabilities in sport and physical activity, while leading, developing and growing boccia from grassroots, to producing World and Paralympic Champions.

Canadian Cerebral Palsy Sports Association 2017-2021 Strategic Plan

Boccia High Performance	Boccia and Cerebral Palsy Participation & Development	Governance & Leadership	Communications & Marketing	Funding & Partnerships
<ul style="list-style-type: none"> • Deliver a world-class high performance program for the Canadian National Boccia Team • Enhance and align high-performance coaching and technical leadership structures to support world-class performances • Enhance the daily training environments to support world-class performances of National Team Members • Ensure that National Team Members have access to world-class competitive opportunities • Deliver a structured and comprehensive Integrated Support Team and services to our National Team Members 	<ul style="list-style-type: none"> • Lead and support the coordinated implementation of Boccia Long-Term Athlete Development model and programs across Canada • Provide Provincial Members and clubs with services, resources and best practices to support their growth and the delivery of Boccia • Lead the development and implementation of a coordinated national competition framework promoting meaningful, stage-based, Boccia competition • Support coaching development by further developing Boccia's National Coaching Certification Program and coaching pathways spanning Community Development to High Performance • Support classification and officiating development by further refining pathways for National classification and officiating certification, as well as providing opportunities to practice • More Canadians with Cerebral Palsy and related disabilities are participating in sport with coaches available to support their needs 	<ul style="list-style-type: none"> • CCPSA has a strong Board and is a leader in good Governance • The organization is prepared and pro-active regarding matters related to risk management and sound policies • CCPSA is staffed by capable and accountable employees, with clear roles, responsibilities and performance measures • CCPSA effectively recruits, trains, retains and rewards volunteers 	<ul style="list-style-type: none"> • CCPSA's activities are guided by a comprehensive internal and external communications and marketing strategy • CCPSA's services and programs are provided in both official languages 	<ul style="list-style-type: none"> • CCPSA has diversified and sustainable Revenue Streams • CCPSA has established Partnerships with other disability service organizations

Excellence Resilience Inclusivity Collaboration
